Informed Consent for Text (SMS) Messaging

With your consent, The Orthopedic Spine & Injury Center would like to send text (SMS) messages to the mobile number you have provided in our records.

By providing your informed consent where indicated, you acknowledge that you have understood the information below and agree to participate in our text (SMS) messaging service.

Purpose and Description: Orthopedic Spine & Injury Center's text (SMS) messaging service is designed to provide you with helpful information, reminders, and notifications via text messages sent to your mobile phone. We may use text (SMS) messages to communicate with you for a variety of purposes, including:

-updates to your visits, billing notifications, prescription reminders, care management, and care management and service line informational messages

Voluntary Participation: Participation in our text (SMS) messaging service is entirely voluntary. You have the right to refuse or withdraw your consent at any time.

Risks: While every effort will be made to protect the security and confidentiality of information transmitted through text (SMS) messages, there are inherent risks associated with all electronic communication. These risks include unauthorized access, loss of privacy, and potential breach of sensitive information. It is important to be aware that text (SMS) messages may not be entirely secure and could be intercepted or accessed by unintended recipients.

Potential Costs/Opt-out: Participation in the text (SMS) messaging service may involve standard text messaging charges applied by your mobile service provider. Standard message and data rates may apply and message frequency may vary. Reply STOP to opt out at any time. Reply HELP for help.

Privacy Policy: We protect your data through encryption and secure storage measures to prevent unauthorized access. To view our full Notice of Privacy Practices or Terms of Use Policy please visit our website at orthosic.com or by the direct links below.
